What is the Little Women Hospitality Program?

The Little Women Hospitality Program is a Catholic Girls' Program based on the virtue of offering hospitality to others. The Program aims to teach young ladies the various aspects of hospitality including cooking, cleaning, setting and clearing a table, manners and conversation, writing correspondence, sewing and dressing modestly, and a tea party.

Using scripture, literature selections, skill practice and field trip suggestions, the program helps the girls become confident and gracious hostesses.

The program is filled with wonderful stories, inspiring heroes, saints, Biblical figures and practical skills that will enrich the lives of the girls as they learn to grow into women.

The emphasis of the program is in learning the value of work done well. Skills are learned and practiced and reinforced at home. This way, the girls become confident in their roles as hostesses.
